WHAT SERVICES CAN WE PROVIDE FOR YOU?

Accounting & Bookkeeping

Using QuickBooks and Peachtree accounting applications, our bookkeeping services include accounting system setup, A/P and A/R management, bank reconciliation, day-to-day and month-to-month record keeping, and financial forecasting.

Marketing

Everything we do starts with a conversation. We realize that we're only as good as our ability to ask the right questions and simply listen. Only then can we understand your needs and advise you on strategies for achieving your goals. Our marketing professionals can help your business with branding, plan development and implementation, communication design, copywriting, media buying and placement, and trade shows and event coordination.

Publication & Graphic Design

Our award-winning design team is experienced with logos, business cards, brochures, newsletters, annual reports, direct mail pieces, sales materials, calendars, posters, product packages, magazines, books, and multimedia presentations. Let our team work with your team to bring out the best in your company!

Web Development

Whether you want your company to have a static online image or a dynamic, database driven site, VBP's web team will walk you through all phases of the development process; including functionality and planning, content development, design, testing, domain name registration, web hosting, search engine optimization, email campaigns, and monthly maintenance.
